

INSTRUCTIONS

PLEASE READ CAREFULLY

As an in-service Tier I or II member of TRS, you may direct the Annuity Savings Fund (ASF) and Increased-Take-Home-Pay (ITHP) portions of your Qualified Pension Plan (QPP) account to any or all of TRS' Passport Funds as listed below:

- Fixed Return Fund
- Diversified Equity Fund
- Balanced Fund
- International Equity Fund
- Sustainable Equity Fund
- U.S. Equity Index Fund
- International Equity Index Fund

You may change your investment elections for your future QPP contributions and your past QPP accumulations four times each year. Investment election changes must be in 5% multiples. This flexibility applies to your existing balances, as well as to any future contributions.

Performance data for the Passport Funds is available on our website.

Investment election changes take effect on the following quarterly start dates:

- January 1
- April 1
- July 1
- October 1

You may submit this form at any time, and your elections would take effect on the next start date that occurs at least 30 days after TRS receives your form. For example, forms received on June 1 would take effect on July 1, but forms received on June 2 (29 days before July 1) would not take effect until October 1. In the month before your investment elections take effect, TRS will send you an acknowledgment letter verifying the election choices you made on this form. Your election(s) would supersede any previous elections filed with TRS. Any conversion of funds not yet completed would stop as of the date your new election takes effect.

Please note that any elections that you make on this form are valid only while you are in active service. If you resign or are terminated before your conversion is complete, the conversion of funds would stop as of your resignation/termination date.

NOTE TO MEMBERS WHO MAY RETIRE IN THE NEXT 12 MONTHS: Any conversion of funds that is not completed by your retirement date would stop as of that date; you may elect a new conversion on your retirement application.

Please retain a copy of this form for your records.

If you require additional assistance, please contact our Member Services Center at 1 (888) 8-NYC-TRS.

In Part A: Provide all requested information.

In Part B: You may invest your future QPP contributions in any or all of TRS' Passport Funds. Your allocations must be in 5% multiples.

The example below demonstrates how to complete Part B if you would like to invest 50% of your future contributions in the Fixed Return Fund, 10% each in the Diversified Equity Fund and the U.S. Equity Index Fund, and 15% each in the Balanced Fund and the Sustainable Equity Fund. (This is only an illustration, not a recommendation.)

TRS' Passport Funds	Percentage		
Fixed Return Fund	5	0	%
Diversified Equity Fund	1	0	%
Balanced Fund	1	5	%
International Equity Fund		0	%
Sustainable Equity Fund	1	5	%
U.S. Equity Index Fund	1	0	%
International Equity Index Fund		0	%
TOTAL	1	0	0

Please note that your election for future contributions must total 100%; otherwise, this form cannot be processed.

In Part C: You may convert your past QPP accumulations to any or all of TRS' Passport Funds, in multiples of 5%, over 3, 6, 9, or 12 months. Conversions of values less than \$1,000 will occur at the rate of \$83.33 per month until the conversion is completed.

This election would supersede all prior elections. Any conversions not yet completed would stop as of the date your new election takes effect.

The example below illustrates how to complete Part C if you have funds in the Diversified Equity Fund and would like to convert 20% of your past Diversified Equity Fund accumulations to the International Equity Fund over 9 months. (This is only an illustration, not a recommendation.)

Move out of my Diversified Equity Fund :		
____%	to Fixed Return Fund	over ____ months
____%	to Balanced Fund	over ____ months
20%	to International Equity Fund	over 9 months
____%	to Sustainable Equity Fund	over ____ months
____%	to U.S. Equity Index Fund	over ____ months
____%	to International Equity Index Fund	over ____ months

Please note the following when completing Part C:

- Improperly completed forms cannot be processed and will be returned to you with an explanatory notice.
- To convert funds from an investment program, you must have funds available in that investment program.
- One investment program cannot simultaneously be both the source and destination of a conversion.
For instance, you cannot convert funds from the Fixed Return Fund to the International Equity Fund while you are converting funds from the International Equity Fund to the Balanced Fund.
- The total percentage you convert from any one investment program may not exceed 100%.

In Part D: You may stop a conversion of past QPP accumulations that is in progress without electing a new conversion.

In Part E: You must sign and date this form.
